*Lyrics and Music by Shane Heilman*

G#m F# G#m  
God is our refuge and strength

A very present help in trouble

Therefore we will not fear

Though the earth gives way

Though the mountains be removed  
B/D# E  
Into the heart of the sea  
E/G# F#A#  
Though its waters roar and foam  
G#m B/D# E F#  
Though the mountains tremble at its swelling

B F#sus G#m7  
The LORD o-of Hosts is with us  
E B G#m7 F#  
The God of Jaco-ob is our fortress

Make glad the city of God

The holy dwelling of

The Most High

God is in the midst of her

God will help her when the morning dawns

The nations rage, the kingdoms falter

He utters His voice, and the ear-earth melts

The LORD o-of Hosts is with us  
E B G#m7 F#  
The God of Jaco-ob is our fortress

The God of Jaco-ob is our fortress

E F#  
Come behold the works of the LORD  
B/D# E E/G#  
(How) He has brought desolations on the earth

He makes the wars to cease  
B/D# E  
To the end of the earth  
E/G# F#/A# B/D# E  
He breaks the bow and shatters the spear  
E/G# F#/A# B/D# E  
He burns the chariots wi-ith fire

Be still and know that I am God

I will be exalted
